digital edition

Substantially increasing the readership & exposure, each issue of Irish building now has an enhanced, cover to cover digital edition. Distributed electronically to our extensive email data base & accessed from our homepage the digital edition can be viewed on your PC, tablet and smart phone. The entire edition can be searched, downloaded, pages can be e-mailed & readers can discuss the topics with colleagues through social media. In combination with our print circulation there is no more effective way to get the industry to hear what you have to say.

All advertising placed in the magazine is published in our digital edition at no extra cost & has hyperlinks installed making your company email & website one click away from our readers. Video & other interactive elements can be added.

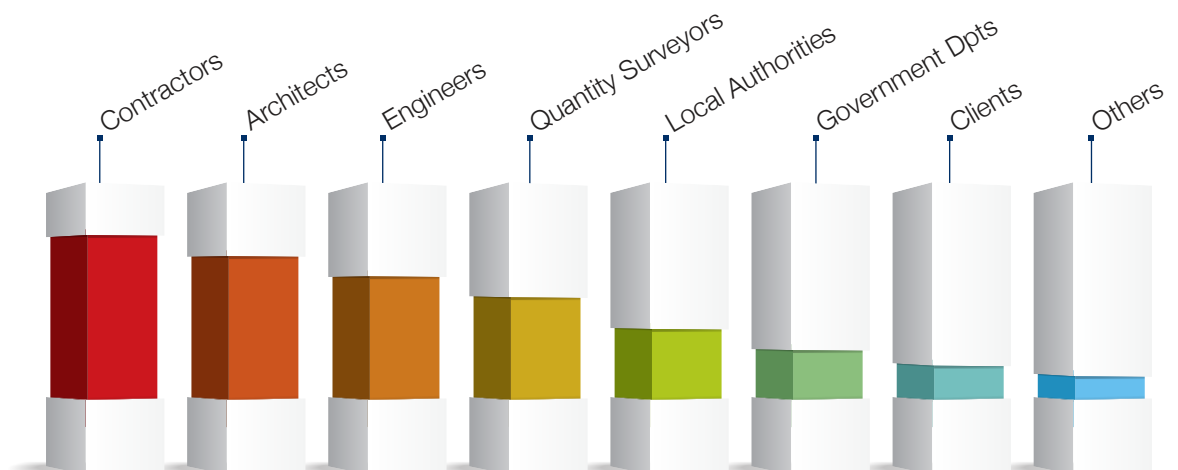

web

irishbuildingmagazine.ie is the industries most visited daily construction news & information portal. The site provides breaking news (updated several times a day), interviews, project & company profiles, legal & regulation articles plus the very latest technology & product developments.

social media

Irish building has fully embraced social media. Daily news items & selected web content is tweeted, added to Facebook and Google+ & posted to our LinkedIn group forums making Irish building part of our industries daily conversation. Through our site & social media we are connecting with industry professionals on a daily basis.
